

MyNust eLearning

How to login to eLearning

Step 1. Go to NUST Website: <http://www.nust.na>

Step 2. Click on: Click here to login

On your left-hand side on top of the page click on: **eLearning**

On the next page that opens (eLearning Portal), Click on: **Click here to Login**

MyNUST eLearning Site for Students and Lecturers

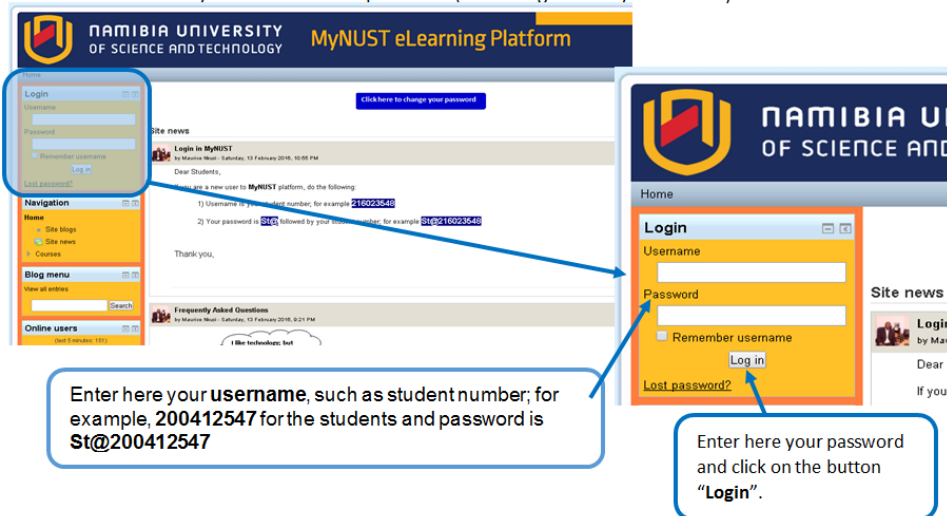

This site is where final E-courses are uploaded for students to access and use. Use this site to tutor your students and help them to engage in your course activities by using various eLearning collaboration and communication tools available within MyNUST system. For more information, contact Mr. Maurice Nkusi at mnkusi@nust.na

[Click here to Login](#)

Step 3: Enter your default login credential

- User name: Your student number
- Password: St@student number
- The S is capital

Enter you username and password (According to how you saved it)

Enter here your **username**, such as student number; for example, 200412547 for the students and password is **St@200412547**

Enter here your password and click on the button "Login".

Course enrollments

If you're not enrolled please do the following:

Option 1

- Try to enroll yourself using the course code
- Try upper cases or lower cases
- Examples: MMN123S/mmn123s
- If this does not work try option 2

Option 2

- Ask your lecturer to enroll you or
- Ask your lecturer for the course enrollment key

Lost password

Option 1

Sustainable Design is a concept based on a design philosophy that is mainly solution focused and action oriented towards creating a preferred future using the scientific method of learning (experiment and then learn). The concept using the "Design Doing" method can be implemented in any field of study, including social sciences and languages.

You are invited to participate in the needs assessment exercise; click on the link below to provide your response before or on **16 February 2018 at 16:30**
